PRODUCT OVERVIEW:

Metro Mist provides targeted, purposeful cooling for urban environments. Its angled design directs mist exactly where it's needed, making it ideal for walkways, plazas, and urban edges. With simple push-button activation and flexible installation options, it's a practical, efficient solution that improves comfort without disrupting the flow of the space.

HIGHLIGHTS:

- Angled vertical column with horizontal misting arm for directional cooling
- Three high-quality misting nozzles for even mist coverage
- Built-in strainers help prevent nozzle clogging
- Hydraulic push-button activation
- No electricity required
- 30-second mist cycle with each press
- Compatible with flexPHASE or more permanent installation using playPHASE™ Small
