INSTALLATION

ZERO-DEPTH

BASE COMPATIBILITY

FLEXPHASE OR PLAYPHASE™ SMALL

PRODUCT OVERVIEW:

Coolspire LED delivers all-day cooling for public spaces with 360° mist and integrated ambient lighting. Push-button activation provides on-demand relief, while solar-powered LEDs add a soft glow after dark. Its compact design supports flexible placement across parks, plazas, and walkways, with options for permanent or seasonal installations.

HIGHLIGHTS:

- Solar-powered light with white LED
- 360° mist
- Three high-quality misting nozzles for even balanced coverage
- Built-in strainers help prevent nozzle clogging
- Hydraulic push-button activation
- No electricity required
- 30-second mist cycle with each press
- Compatible with flexPHASE or more permanent installation using playPHASE™ Small
- Combine multiple Coolspire products to create a larger cooling zone
